Overview

IPEDS Student Financial Aid Component Overview Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

Changes to This Year's SFA Component

- New questions on military/veteran/eligible dependent students receiving benefits have been added. Total number and amount will be asked for both undergraduate and graduate students. Please work with your institutional representative who certifies such benefits. They may not be associated with the student financial aid office.

Section 1: Comparison Chart**Comparison Chart**

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 are correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

Note: Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

Summary**IPEDS Student Financial Aid (SFA) Survey Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2015.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
